Summer Exhibition 2011

Our annual summer exhibition will be an ever changing rolling program of new art pieces throughout the 2 month event period. We will bring an exciting mixture of mediums of oil, acrylic, watercolours and sculptures from the region.

Ten of our gallery artists express and portray their inner world in contrasting mediums - reflecting the variation of talents created by upbringing and cultures. The works are attractive talking points, capturing beautiful matching colours, fine detail and approaching life with zest and creativity.
