Asia Fine Art presents
ART of INSPIRATION
by **HU HUI**

Exhibition dates : 14th January – 10th February 2012 (10.30am to 6:30pm daily)
Venue : Asia Fine Art Gallery at 14 Sik On Street, Wan Chai, Hong Kong

The new works for the new year by **Hu Hui** highlight his very special style of painting contemporary landscapes, water and rural scenes from his native Huangshan, China.

Hu Hui paints understandable contemporary as he sees it – through the eyes of a master artist who lives and works with his surroundings.

His paintings are full of bright colours, intertwined landscapes and busy interacting themes - just as he sees life around him.

Hu Hui is not a sit at the studio painter, he is constantly out in the field - sketching and looking for new forms and shapes, gleaning from everyday life and everyday happenings.

It is easy to understand how he has become an established and successful artist and why his works are so popular both as art pieces and talking points.

Venue: **Asia Fine Art Gallery**

Exhibition Period: 14th January to 10th February 2012
