Asia Fine Art - New Year Exhibition 2014

Starting 2014 with a refreshing event of new ideas and new depth of creativity. A very special collection of paintings by a selection of talented independent women artists. The way to start and continue in a New Year!

All the artists have their interpretation of their different disciplines. The delicate combination of colours by Masako Sato; the beautifully themed European gardens expressed by Diane Monet; the Ta Thi Thanh Tam bright cheerful lacquers and the modern frizzy paintings by Elizabeth Hamill.

Bronze sculptures by Tollar Inbar & Christine Vidart create a beautiful backdrop for the oil paintings by Aye Nyei Myint and Liu Ping. Well known Vietnam gallery artists Vu Thu Hien and Lim Khim Katy are showing their works. Spanish artist Eva Maria Pacheco, who is based in New Delhi will have three of her works hanging.

An interesting mix of youth, maturity and culture. The works are all progressive pieces, capturing vibrant colours, fine detail and a new approach to life for the New Year - with zest and creativity.
